Presents the 2nd

Stroke Support Center (Level 3) Symposium
September 17, 2010
10:00 - 16:30

Hosted by:
Dell Children's Hospital
Seton Administrative Auditorium
1345 Philomena Street
Austin, Texas 78723

COURSE PURPOSE

This activity will educate Registered Nurses and other Healthcare Professionals in the designation process of becoming a Stroke Support Center (Level 3). The learners will gain knowledge and understanding of best practices enabling them to implement a coordinated, multidisciplinary evidence-based approach to stroke care resulting in improved care across Texas.

COURSE OBJECTIVES

- Define the designation process for a Stroke Support Center (Level 3)
- List the Essential Criteria of a Stroke Support Center (Level 3)
- Identify data collection measures for process improvement
- Describe Pre-hospital protocols for early recognition and treatment of Acute Stroke
- Describe Emergency Department Nursing assessment and management of Acute Stroke
- Define application completion and submission process
